Science for Ninth & Tenth Class for Classes 9 and 10

SPECIAL FEATURES:
- Very short answer type questions (including true-false type questions and fill in the blanks type questions)
- Short answer type questions
- Long answer type questions (or Essay type questions)
- Multiple choice questions (MCQs) based on theory
- Questions based on high order thinking skills (HOTS)
- Multiple choice questions (MCQs) based on practical skills in science
- NCERT book questions and exercises (with answers)
- Value based questions (with answers)
- Model test papers as per latest marking scheme.

VRX APP VRX
- Experience virtual reality by downloading our VRX app VRX.
- We have one VR experience per chapter, across our 6 books of the series.
- Each VRX module is distributed into 4 sections:
  - **Walkthrough-** Guided virtual tour of the content
  - **Explore-** To navigate to different interactive spots
  - **Help-** Helpful information about the VRX module
  - **Assessment-** MCQ quiz to self-assess learning

AUTHOR(S):
Lakhmir Singh, Manjit Kaur, Dr P.S. Verma, Dr V.K. Agarwal

MY STUDYGEAR APP studygear (WITH NEW VIDEOS):
- One stop solution for your learning needs
- Learn at your own pace anytime, anywhere
- Scan the QR codes to enrich your learning with videos
- Learn with multimedia tutorials, interactive assessments & chapter review tests
- Access your content online as well as offline

ALSO AVAILABLE
Hindi Edition in a new larger format and in 4-colour

Handbook of Mathematics for Classes XI & XII: 978-81-2193-855-6

The Language of Chemistry or Chemical Equations

AUTHOR(S):
G.D. Tuli, P.L. Soni

TITLES ISBN
The Language of Chemistry or Chemical Equations 978-81-219-2532-7
Complete Foundation Guide for IIT-JEE is a five-level series that prepares the learners for Olympiads, competitive or entrance exams thus establishing a firm foundation of the subject by supporting in cracking IIT-JEE or other entrance and ensuring success. The book is equipped with features that imprint concepts in the most comprehensive ways.

SPECIAL FEATURES:

MATHS - 6-8
- Knowing A legend is a section that introduces an inspiring Math prodigy or a Scientist to students.
- 3 levels assignments as Easy Go, Step Up, Toughen Up, preparing the children for cracking IIT entrance & JEE was never so effective before. Every chapter will have a session of questions under name IIT-JEE corner.
- Topic Tree helps the children to remember how the topics and the sub-topics are connected.
- Target@ Competitive Examinations section is a quick summary of the important point that students need to glance through before they face any competitive exams.
- Math Flash randomly occurs throughout the book to give a quick fact or a curt information about an idea related to the topic.
- Twiddle ‘n’ Riddle gives a quick witty challenge to the students.
- Word Junction introducing and enriching mathematics terminology also acts as a key in making students stronger in the subject.

SCIENCE - 6-8
- Knowing a Legend: Information about a scientist and a relevant discovery/invention
- Nutshell: A brief insight into the chapter
- Key Concepts: Simple language with adequate examples and supported by illustrations, diagrams and pictures.
- Solved Examples: For better understanding of the concept
- Concept Cruise: Concrete idea of every concept shown through a detailed concept-map
- Quick Look: Summary of the important points for easy recapitulation.
- Checklist: Self-evaluation at the end of the chapter
- Practice Paradise (3 levels):
  - Germinators - Simple, direct, regular objective type questions
  - Catalysts - Comparatively difficult objective type questions including Assertion and Reasoning type questions
  - Tough Testers - Challenging questions
- Olympiad Mock Tests: Two mock tests to give a true hands-on by simulating the actual Olympiads and other competitive exams

FOR CLASSES 9-10
- Knowing a Legend has brief information about a Scientist or a Mathematician
- Mind Map gives a concrete idea of all the concepts taught in the chapter
- Key Concepts given in simple and lucid language with adequate examples and equally supported by appropriate illustrations, diagrams, flowcharts and pictures
- Concept Test Exercises are in-text exercises which help to enhance the knowledge
- Solved Examples are questions with solutions provided for better understanding of the concept
- Exercises have been divided into categories, such as Subjective Type Questions, Single Correct Type Questions, Multiple Correct Type Questions, Passage Type Questions, Assertion & Reason Type Questions, Matrix Type Questions and Integer Type Questions
- Hints & Solutions will help the students to solve the difficult problems

AUTHOR(S):
Satyasree Gupta, Dr. Sanjeev Verma, Arinjay Kumar

www.schandpublishing.com
A Compact and Comprehensive Book of IIT Foundation Mathematics for Classes 6 to 10

SPECIAL FEATURES:

- Full and comprehensive coverage of all topics.
- Key Concepts have been given at the beginning of each chapter to facilitate thorough revision and recall.
- Contains large number of Solved Examples and Practice Questions.
- Answers, Hints and Solutions have been provided to boost up the morale and increase the confidence level.
- Self Assessment Sheets have been given at the end of each chapter to help the students to assess and evaluate their understanding of the concepts.

AUTHOR(S):

S.K. Gupta, Anubhuti Gangal
An important dictum of learning is that theoretical learning must always be supplemented by practical learning. This ensures proper understanding and comprehension besides better retention. It eliminates phobia and makes learning fun. With this in mind, the concept of activities in mathematics was introduced. Mathematics Laboratory Manuals 9 & 10 cater to the above requirement.

**SPECIAL FEATURES:**
- a wide variety of activities to cover the syllabus
- well illustrated and comprehensively explained activities
- viva voce and MCQs for each activity to make concepts clear
- projects along with the guidelines

**AUTHOR(S):**
Rajesh Singh

**TitLes**
- Book 9: 978-93-525-3084-7
- Book 10: 978-93-525-3085-4

---

These laboratory manuals for Classes 9 and 10 convey the methodology and idea of the laboratory course to students. The activities given in these manuals explore the opportunities for contemplation, group discussion, and activities requiring hands-on experience.

**SPECIAL FEATURES:**
- A wide range of experiments that cover the syllabus.
- All experiments conform to a general format that includes – aim, theory, materials required, procedure, observations, results and discussion, precautions, and questions.
- These questions include Viva Voce and MCQs for each experiment.
- A special section covering NCERT Lab Manual questions along with answers.

**AUTHOR(S):**
R. Rangarajan, Neena Sinha, Rajesh Kumar

**TitLes**
- Book 9: 978-93-525-3088-1
- Book 10: 978-93-525-3087-8

---

These laboratory manuals for Classes XI and XII convey the methodology and idea of the laboratory course to students. The activities given in these manuals explore the opportunities for contemplation, group discussion, and activities requiring hands-on experience.

**SPECIAL FEATURES:**
- A wide range of activities to cover the syllabus
