Rapid Revision Series for Class XII has been revised strictly as per the latest syllabus and examination pattern of CBSE (for students appearing in 2026 examination). In the process of revision, a major portion of the text has been rewritten, retaining the salient features of the previous editions. In this edition, the questions have been systematically categorized to address different cognitive levels, focusing on essential skills such as Remembering, Understanding, Applying, Analyzing, Evaluating, and Creating. The questions are designed to enhance competency-based learning and are presented in a variety of formats.

# Complete Foundation Guide for IIT-JEE

for Classes 6 to 10

**Complete Foundation Guide for IIT-JEE** is a five-level series that prepares the learners for Olympiads, competitive or entrance exams thus establishing a firm foundation of the subject by supporting in cracking IIT-JEE or other entrance and ensuring success. The book is equipped with features that imprint concepts in the most comprehensive ways.

## SPECIAL FEATURES:

### MATHS - 6-8

- Knowing a Legend, a section that gives brief information about a Scientist or a Mathematician that inspires young learners
- Inside the Chapter, a section at the beginning of each chapter that provides an idea about the topics to be taught
- Solved Examples are questions with solutions provided for better understanding of the topics
- Exercises have been divided into different categories which will help the students to understand the examination pattern of IIT-JEE more easily
- Topic Tree, a section at the end of the chapter that gives an idea of all the concepts taught in the chapter and is shown through a detailed map which helps the students to summarise the whole chapter
- Reasoning and Aptitude, a section that helps the students analyse the facts and arrive at a problem solution
- Mock Test provides a true hands-on simulating experience of actual competitive exams
- Answers to the exercises of each chapter, given at the end of the textbook
- Supplement consisting of practice Question Papers with the main textbook aids in providing extra questions for practice and learning

### SCIENCE - 6-8

- Knowing a Legend: Chapter starts with a motivating information about a scientist and a relevant discovery/invention that inspires learners.
- Nutshell: It provides a brief insight into the chapter.
- Synopsis: These are the key concepts provided in a simple language supported by adequate examples, illustrations, diagrams and pictures to make learning interesting.
- Solved Examples: Questions with solutions are provided for better understanding of the concepts.
- Concept Cruise: It gives a concrete idea of every concept taught in the chapter.
- Practice Paradise (3 levels): Every chapter has a session of questions under this section, namely–
  1. Germinators for beginners - Simple, direct, regular objective type questions
  2. Catalyst for speeding up the performance - Comparatively difficult objective type questions
  3. Tough Testers for invoking the highest level of understanding - Challenging questions
- IIT Corner: It is a collection of challenging questions based on IIT pattern.
- Reasoning and Aptitude: It is a detailed chapter to hone logical reasoning skills.
- Mock Tests: Two mock tests have been provided along with the instructions, OMR sheets to mark answers and answer keys.
- Answers: Answers to the exercises of each chapter are given at the end of the textbook.
- Supplement: A booklet consisting of practice Question Papers with the main textbook aids in providing extra questions for practice and learning.

### FOR CLASSES 9-10

- Knowing a Legend has brief information about a Scientist or a Mathematician
- Mind Map gives a concrete idea of all the concepts taught in the chapter
- Key Concepts given in simple and lucid language with adequate examples and equally supported by appropriate illustrations, diagrams, flowcharts and pictures
- Concept Test Exercises are in-text exercises which help to enhance the knowledge
- Solved Examples are questions with solutions provided for better understanding of the concept
- Exercises have been divided into categories, such as Subjective Type Questions, Single Correct Type Questions, Multiple Correct Type Questions, Passage Type Questions, Assertion & Reason Type Questions, Matrix Type Questions and Integer Type Questions
- Hints & Solutions will help the students to solve the difficult problems

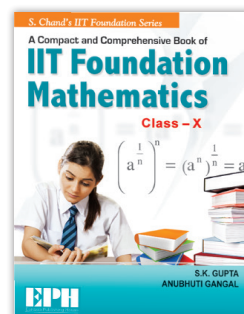

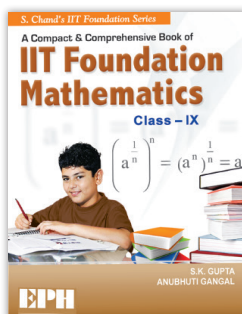

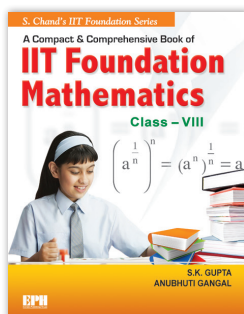

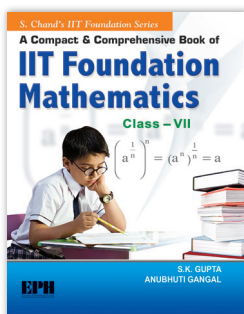

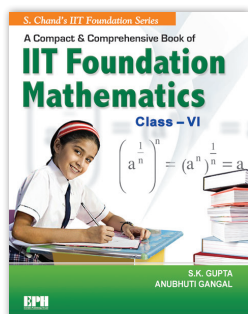

| TITLES                       | ISBN              | PRICE |
|------------------------------|-------------------|-------|
| IIT-JEE Science Class 6      | 978-93-55019-62-2 | ₹700  |
